

Agenda for:

Trees In Dover: A Fact Finding Session: Saturday, February 4th 2023

Location: Dover Library Community Room: 56 Dedham St, Dover MA 02030

Time: 10:30 AM – 12:00 PM on Saturday, February 4th, 2023

- 10:30 am** Welcome & Introduction – Val Lin, Chair, Dover Tree Preservation Committee
- Introduction of The Conway School – Audrey Logan , Brett Towle, Kaitlynn Campbell
- 10:40 am** **Small Group Mapping Activity #1**
- Small groups will identify their favorite tree or forested area in Dover
 - Facilitate discussion on favorite tree locations and why
- 11:00 am** **Small Group Activity #2:** Tree Stewardship, Resources, and Management
- Groups will identify what tree changes have occurred in the community, neighborhoods, or property
 - What is Dover doing right and where can we improve on Tree preservation and maintenance?

Kindly send your RSVP or questions to Valerie Lin at vlin@doverma.gov.

- Discussion: Have you removed trees on your property? Have you planted trees on your property? - What kinds of challenges have you faced trying to plant or keep trees alive? Do you know where to get trees for your property?

11:20 am Small Group Activity #3: What do you believe pose the greatest threats to trees and forests in Dover?

- Groups will use sticky-notes to list the greatest threats they see to tree and forest communities in town. Come to a consensus in your group and rank them from most to least threatening. Choose someone in your group to present your shared list to the room after 10 minutes.

11:40 am Wrap Up & Thank you
